**To Whomsoever It May Concern**

**Subject: Franchised Panel Assembler Certificate**

This is to certify that M/s Evershine Switchgear Manufacturing Est., PO Box 33647, Dubai are authorized to use Low Voltage Switchgear & Controlgear products manufactured and marketed by Electrical Standard Products division of L&T Electrical & Automation.

As a franchised panel builder, M/s Evershine are authorized to assemble "L&T Eversys-M" switchboard system, "Eversys-S" SMDBs, MCCs, Capacitor Panels and Final DBs as per L&T Type tested design. All the components including Enclosure, Busbar supports, ACB's, MCCBs, Control Components, VFDs, ELCBs, Isolators, MCBs, Capacitors, Reactors, APFC Controller, Isolators used to assemble these systems are supplied by L&T.

L&T has provided appropriate documentation & technical training to M/s Evershine personnel for correct selection, assembly and Testing & commissioning of L&T Type tested systems.

L&T's Electrical Standard products are covered by our standard warranty. M/s Evershine Switchgear is responsible for any contractual obligations with their customers.

This authorization is validated every year at the sole discretion of L&T.
